

Avtek OPS i5 13450HX 8GB 256GB/Win 11 Pro

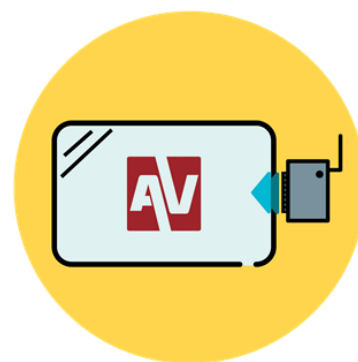

Code: 1TV429

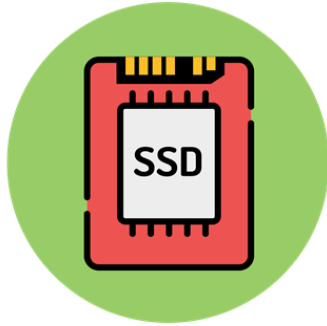

Computer designed for Avtek TS 7 Lite, Avtek TS 7 Mate, Avtek TS 8 Easy, Avtek TS 8.1 Easy, Avtek TS 8 Connect, TS 8 Mate, TS 8 Lite G, TS 8.1 Mate G, TS 9 Mate G and other devices with a standard OPS slot

With the Windows 11 Pro operating system

The new Avtek OPS computers have been designed to work with a monitor to create a high-end All-in-One system with excellent performance.

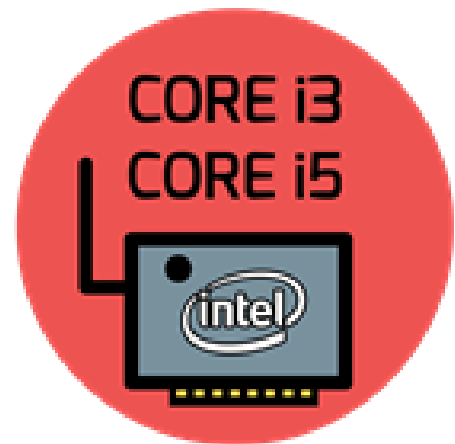

The Avtek OPS i5 13450HX is equipped with a modern 13th-generation Intel processor, ensuring trouble-free operation and high performance. The modern 13th-generation i5 processor can be significantly faster than the 2nd-generation i7 processor. This means that users can be sure that they are buying a solution that will function efficiently for many years to come.

The SSD drives used in Avtek OPS 5K computers are not only dozens of times faster than traditional HDD drives, but also more resistant to damage and extremely quiet. These features make them ideal for use in interactive monitors, where speed and reliability are key.

Interactive monitors are perfect for a variety of scenarios. For advanced applications, an OPS computer with a 13th-generation Intel i5 processor is ideal, delivering high performance and reliability to meet the demands of even the most demanding applications. The Avtek OPS i5 13450HX supports native 5K@60Hz resolution. 2-year warranty.

Specification

Compatibility	TS 7 Lite, TS 8 Connect, TS 8 Easy, TS 8.1 Easy, TS 8 Mate, TS 8.1 Mate G. TS 8 Lite G
Processor	10-core Intel® Core™ i5-13450HX
Number of cores/threads	10/16
CPU clock speed	4.6 GHz max.
Graphics card	Intel® UHD
Memory	8GB DDR4L
SSD hard disk	256GB SSD SATA III
Wi-Fi / Bluetooth	5 / 4.2
USB ports	6x USB 3.0, 1x USB Typ-C
Video ports	2x HDMI OUT
Video ports	1x Mic IN / 1x Line OUT
Work temperature	0°C ~ 45°C
Dimensions of the casing	180 mm × 119 mm × 30 mm

Operating system	Windows 11 Pro
Warranty	2 years
