

ADVANTouch vGAP 4 - SIMPLICITY MEETS PERFORMANCE

The successful vGAP series presents itself in a new look and with new technology: The fourth generation convinces with an even more precise touch technology and a stronger frosted safety glass for a particularly pleasant writing feeling - like on paper. The new high-end hardware is now almost three times as fast* and from now on plays in the upper league. Lightning-fast invocation and execution of functions and applications are now part of everyday life. The vGAP 4 sets the new standard in performance, usability and design.
