Prestigio® SOLUTIONS

Tablets Virtuoso

ULTRA-SLIM ELEGANCE

Rounded corners and a thin metal body with an anodized finishing texture make this tablet a top contestant in beauty and elegance competitions. Real chic with a thickness of only 6.9 mm.

IMMERSIVE ENTERTAINMENT

12-inch IPS LCD display with 2K resolution for even more detail. The Quad-speaker system with 4.0 surround sound provides an unbeatable experience for streaming and gaming.

REMARKABLE PRODUCTIVITY

The multi-screen Collaboration feature allows seamless interaction between the tablet and other devices, boosting productivity and enabling efficient multitasking across screens. Powered by a Qualcomm Snapdragon 680 chipset, this tablet ensures a smooth, powerful experience to support all your professional needs.

LEARNING TOOLS

Large screen and multi-window support, making it perfect for multitasking between educational apps and resources. Students and educators can effortlessly switch between tasks, view multiple apps side by side, and stay organized—enhancing productivity and providing a more immersive learning experience.

MARATHON BATTERY LIFE

Long battery life ensures extended usage without frequent recharging. Keep going with a robust 7150 mAh battery and fast charging for the next marathon of movies and games.

PORTABILITY

With its light and slim design, it is your companion everywhere during meetings and presentations.
